Kids' Allergy Menu

Dear Guest,

This Allergy Menu is meant to serve as a guide to help our guests with food allergies & interolances have a starting point to determine what is safe for them to eat. Please inform your server of any and ALL allergens before ordering so we may do our best to accommodate your needs. While we work hard to accommodate as many allergens as possible, some dishes may not be adjustable. Our servers utilize an in-depth document that tells them where allergens are in each dish & whether adjustments can be made to make the dish safe for you.

Allergens in red are in the dish; allergens in blue are cross-contaminants.

For ease of reading, prices & descriptions have been removed. Please refer to the main food menu(s) for additional information.
